

ANOTHER HAPPY FAMILY

3067 Bagley Passage

Jaba and I coveted Country Club homes including SCC for the last six years. Each time we were unable to find a lot or a home of our choice that was within our budget.

Finally we met Seema in early 2007. After listening to our requirements, she encouraged us to consider SCC and effortlessly guided us to a perfect lot. She introduced us to the builder, Cliff Kennedy and we had a great experience building our perfect house. Seema gave us invaluable tips and recommendations during the contract process and even kept a close eye at the construction of the house and met us periodically to discuss progress.

While we were enjoying the building process, we were also quite worried about the current market conditions and whether we would be able to sell our existing home in Sugarloaf Springs or not. Seema stepped in to help us out and demonstrated her prowess of selling in this tough housing market. She managed to get a contract on our house within six weeks of listing and closed the deal 3 days after we moved in to our new house in SCC. It was perfect synchronization.
