

# ANOTHER HAPPY FAMILY

**RELENTLESS**

**PROFESSIONAL**

**KNOWLEDGEABLE**

**EXUBERANT**

*“Working with  
**SEEMA**  
was a  
Breath of  
Fresh Air”*

“Seema Jain worked in assisting us for months before we found the house of our dreams for our daughter and son-in-law (Kristen & Bryan Blake) at 3395 Moye Trail in the Sugarloaf Country Club. It seemed like she took us through every house within a 10-mile radius that met our criteria. She showed us foreclosures, short sales, new construction and re-sales. She was **relentless** in her research and never showed any displeasure or inconvenience as home after home was rejected. She always felt that finding that “perfect house” was her only goal.

Seema was always on time and interacted with us, other real estate agents and homeowners in a very **professional** manner. She demonstrated superior knowledge in her interaction with financial institutions relative to expediting foreclosure and short-sale red tape. Through all our dealings with Seema, we always felt comfortable in the knowledge that she always had our (the client’s) best interest at heart. Through Seema’s hard work and **knowledge** of the market, we finally found the perfect home in the Sugarloaf Country Club that fits all our expectations.

*In the future, when we look to sell a home, we will most certainly call Seema to list it. We would recommend her to anyone who is looking for an agent with an in-depth knowledge of the market in the Sugarloaf area along with an **exuberance** for success for her clients.”*
