Seema Jain receiving Top Residential Producer Award 2010 from the President of NAMAR

"We have used Seema as our real estate agent for not one, but two transactions in the past year. First, we purchased a beautiful house in Sugarloaf with Seema holding our hands the whole way. One of us was sure about the transaction, while the other was apprehensive. However, with Seema's guidance and knowledge, our concerns quickly dissolved into an easy, quick, painless purchase process. Seema educated us on buying a short sale property, expedited the closing, and in the meantime, we got an amazing house at an amazing price. We moved into the new house and couldn't be happier, BUT we still had our old house sitting on the market for months. We decided to relist the house with Seema and are so glad we did. It SOLD RIGHT AWAY! Upon listing our old house, Seema was straightforward and realistic with expectations of the current market. The closing was quick and easy. We say this again because in the past, it has never been easy to do a Real Estate transaction. Seema is professionally aggressive in order to get the job done, forthcoming, very intelligent and has a tireless work ethic. It is with Highest Regards that we recommend Seema. We will "retain" her as our real estate agent, for our future transactions.
