

# MAKING SEVERAL MORE FAMILIES HAPPY IN 2010

"In a difficult market you guided us through the sale of our home and closed the deal. You understand the market, gave us good advice with pricing, and positioned our home for a quick sale. You are a seasoned professional who understands your clients and the communities where you market homes. It was a pleasure to work with you and Kathy and I would be happy to recommend you to any potential home owner interested in selling their property. Thanks for all your effort!"
